

# groundwater modellers forum

A FORUM FOR GROUNDWATER MODELLERS TO DISCUSS BEST PRACTICE TECHNIQUES

The International Association of Hydrogeologists (IAH) and NCGRT are collaborating to deliver a regular forum which aims to bring together groundwater modellers in Adelaide to discuss a host of issues relevant to consultancies, agencies and researchers.

National Centre for  
**Groundwater**  
Research and Training

## WHY IS THIS FORUM IMPORTANT?

This forum aims to advance the groundwater modelling profession by improving communication between modellers and also between modellers and the clients.

## WHO SHOULD ATTEND?

Anyone who participates in the design and construction of models and the application of their output.

## SCHEDULE
