### **Mr. Chris McAuley**

#### **Immediate past president, IAH Australia**

Chris McAuley has over 25 years' experience in hydrogeology in government and the private sector. He is the immediate past president of Australian Chapter of the International Association of Hydrogeologists. Chris's key area of interest is the effective and sustainable management of groundwater resources. To facilitate this, Chris believes in the effective use of the information that we have on groundwater to communicate to and educate key decision makers.
